20) On further consideration I think it is desirabl to confer on Assistant Superintendents certain independent powers of control. I would suggest the adoption of the following rules to regulate their powers and duties:-

(1) The Assistant Superintendent should be fully responsible for the police administration of his charge, subject to the general supervision of the District Superintendent.

(2) He should submit his confidential weekly diaries through the Superintendent to the Deputy Commissioner and the Inspector General of Police.

(3) First Information Reports in the case of crimes, other than heinous crimes specified in the next following rule, will be received and dealt with in the office of the Assistant Superintendent. (4) In cases of murder, dacoity and highway robbery, copies of first information reports should be sent direct by the Investigating officers to the Superintendent also, but any instructions which the Superintendent might give thereon should be communicated through the Assistant Superintendent. Special diaries in such cases may be sent to the Superintendent if so required by him under his general power to call for any records.

(7) Returns, except such of them as are to be furnished to the Assistant Superintendent himself, may be sent direct to the office of the Superintendent.

(9) In the matter of granting leave to and transferring his subordinates, the Assistant Superintendent will exercise the same powers as the Superintendent but shall ~~report the same to the latter officer. If the Superintendent proposes to transfer a constable or a Dafedar from the Sub Division against the wishes of the Assistant Superintendent, he should report the matter to the Deputy Commissioner for orders.~~

OFFICE OF THE INSPECTOR-GENERAL OF POLICE IN MYSORE.

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Government of His Highness

SECTION BRANCH. 17 JUN 1920

Sir,

With reference to Government Order No. G. 202-211/ Pol 163-18-2 dated 4-10-1919 sanctioning the appointment of Assistant Superintende of Police, I have the honor to state that in the case of the cities o Mysore and Bangalore it is necessary that the Assistant Superintendent of Police should be quite independent; for in the event of the Assis ant Superintendent of Police being subordinate to the Superintendent, the latter officer will have to bear responsibility of the city also to some extent with the result that the rest of the District is likely to be neglected and the Chief Object in appointing Assistant Superintendents would fail. This would especially be the case in the Mysore District on account of the importance of Mysore as the Capital.

2. Even ~~going~~ prior to the Order referred to above, the Mysore City had an Assistant Superintendent for 6 or 7 years. In the earlier days the Assistant Superintendent was subordinate to the District Superintendent but the arrangement was not conducive to good work. Since 1914 the Assistant Superintendent was quite independent of the District Superintendent of Police. The appointment of other Assistant Superintendents of Police need not affect the position of the Assistant Superintendent of Police of Mysore who might be held solely responsible for the Police work of the city directly under the Deputy

Commissioner.

3. The same is necessary in the case of Bangalore also but I do not press the matter as I am of opinion that the City of Bangalore requires a Superintendent and not an Assistant Superintendent only. The number of cases here is larger and the officer who has once a week to meet the District Superintendent of Police Civil & Military Station Bangalore should have a higher status than that of an Assistant Superintendent of Police. Till such time as a Superintendent can be appointed, the arrangement now existing might ~~be~~ continue.

4. As regards Mysore, I request the favour of early orders so that from the commencement of the next official year the Assistan Superintendent might be quite independent of the District Superintendent of Police.

I have the honor to be,

Sir,

Your most obedient servant,

Inspector General of Police.

Dear Sir,

In reply to your D.O. letter No.G.17116(1) Police 181-19-2 dated 4th March 1921 about the work of Assistant Superintendents of Police, I write to say that I have since inspected the offices of all the Assistant Superintendents of Police, except Mysore. Mysore Assistant Police Superintendent's Office was inspected last year and will be inspected before the end of this month. The rules now ~~prepared~~ framed will introduce into the District, the system now prevailing in Mysore and Bangalore, with slight modifications. It is likely that the Clerical staff of the Assistant Police Superintendent's office will require strengthening. The rules can well be tried, changes if necessary,
